Please consider the advantages of staying at Sawmill Creek as opposed to neighboring hotels:

- Hotel rates in the area are still "in season" (Cedar Point amusement park is still open on weekends in October).
- Rates at nearby hotels may be nearly as high for a lesser-quality room, and you would be taking a chance with availability. Rooms are ready for us here. If our block of rooms is filled, additional rooms will be at the -same- discounted rate.
- Most convention activities will be under one roof or on the property.
- Plenty of things to do, on the property and immediately adjacent to it.
- It is a NICE place to have the Convention. Sawmill Creek was named "Best Venue for Corporate Retreats" by readers of Cleveland Business Connects Magazine.

HOTEL REGISTRATIONS MUST BE RECEIVED BY SEPTEMBER 9TH, 2008
